Entertainment

Arc Magic

Are you having an Wedding that you'd like me to be a part of? Most of what I do is mix and mingle, or table magic; where I approach a group of people, introduce myself and show them something amazing... basically I make people applaud, laugh, and feel good at the event, then move on to the next group. The style I have is a mixture of sleight of hand skill, humour, body language reading and the occasional bit of real magic.
